

Appl. No. 10/658,961
Amdt. Dated May 29, 2005
Reply to Office Action of Apr. 13, 2005

REMARKS

Applicant highly appreciates allowance of claims 1-11, 15-16 and 18, and indication of allowabilities of claims 20 and 21. Claim 19 has been canceled. Claims 1-11, 15-16, 18, and 20-21 remain pending in the application.

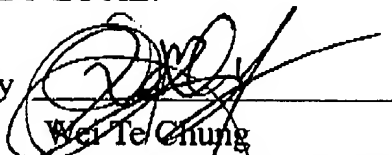

Claim Amendments and Allowable Subject Matter

By the above amendments, applicant has canceled claim 19 without prejudice. Applicant notes that on p.3 of the Office action under the heading Allowable Subject Matter, in para. 6. claims 20-21 are stated as being objected to, and in para. 7. claims 20-21 are stated to be patentable. Applicant further notes that in the Office Action Summary, claims 20-21 are stated as being objected to. In these circumstances, applicant submits that because claims 20-21 each depend directly from claim 15, and because claim 15 has been allowed, claims 20-21 should be allowable as is, without any need for them being rewritten.

In view of the foregoing, the present application as claimed in the pending claims is considered to be in a condition for allowance, and an action to such effect is earnestly solicited.

Respectfully submitted,
LEU ET AL.
